

Information security Presentation

Internet surveillance
Are you being watched or not?

By
Team Z.A.F.T

I. Introduction

- The USA PATRIOT Act
- Strengthen homeland defense
- Subject to human error
- Violates the right to privacy
- Real Time Access to info

II. PROBLEM STATEMENT

- Use of tap and trace method
- Misuse of the Law
- Maybe unconstitutional

III. Results and Discussion

- The law is vague and unfair.

- Rampant blackmailing.

- Resolve human rights issue.  **human rights**

- Reprimand the US Patriot Act.

-

-

IV. Conclusions and Recommendations

- Huge asset to security.
- Intrudes on privacy.
- Clarify vague parts of the law.
- Recommend that the law be ratified.

The End
